Kleber Group

**H.E. Márcio de
Jesus Lopes Daniel**

Minister of Tourism

Executive Summary

The tourism sector across Africa is undergoing dynamic transformation, with increased interest from investors, policymakers, and international stakeholders. In response to this momentum, the World Tourism Forum Institute announces the Global Tourism Forum – Investment Summit 2026, to be held in Luanda, Angola. This high-level event will bring together public and private sector leaders to explore investment opportunities, drive sustainable development, and catalyze growth across the region's most promising destinations.
